I. PREAMBLE:

Clix Capital Services Private Limited (Formerly known as GE Money Financial Services Private Limited) (the “**Company**”), has adopted several Compliance related policies which require Directors, Officers and Employees to observe high standard of business and personal ethics in conduct of their duties and responsibilities. As Employees/Directors/Officers and representatives of the Company, they must practice honesty and integrity in fulfilling their responsibilities and comply with all applicable laws and regulations. The Company encourages an open, ethical and compliant culture and welcomes employees sharing their genuine concerns regarding risks, wrong doing or non-compliance to help achieve this aim.
